JANUARY 1990

At Our Last Meeting

Our last meeting being a nite meeting we had a very good attendance of both members and guests. Dr. Beaver gave a very interesting slide presentation of the Peruvian Amazon and his wife brought some of the native jewelry for those who might wish to purchase. Proceeds of the jewelry sale go to the Amazon villages of Peru. It was interesting to find that they swam with the Piranha and also found them to be very tasting fish to eat. Thus clarifying the myth that they would attack almost anything that entered the water.

Our January Meeting

Our January meeting will be Friday January 12th at the Egypt Temple Shrine starting at 11:00 AM with Meal served at Noon at a cost of \$9.00 per person. In addition to a interesting program Glenn Arter will install our Officers for the Year 1990. Lets start our New Year with another good attendance. Invite a guest and join in the fellowship! If your telephone committee has not contacted you by Wednesday the 10th to determine the number to attend please call Sam Beauregard at either 948-1462 or 225-5316 in order that he can order the correct number of meals.
