At our October Meeting

Our guest speaker for our November meeting was Mr. Shawn Johansen of Smith Barney who spoke to us about "Pricing Power". Was an excellent informative talk on things that had effect on the price of stocks and bonds of today and suggestions on which to select for purchase and why.

We had 15 members at this meeting and 3 guest including the speaker. It would be nice if we could have a better attendance at all of our meetings. Why not invite someone who may be a prospective member to attend with you as your guest in order that he may become acquainted with the S.A.R. and its program.

Jack Seymour advised us that the nominating committee had selected a slate of officers for 1990 who will be presented for your approval at our November 16th meeting. If you have someone for nomination for these offices other than those listed below please be present to offer the nomination to the membership at the November meeting.
