At our January Meeting

Your Editor goofed and promoted Ed Hoyt from Treasure General to President General in the last Newsletter. Correct this now. Patriot Ed Hoyt is Treasurer General of the National Society Son's of the American Revolution.

Treasurer General Ed Hoyt installed our Officers for the year 1991 at our January Meeting. He then gave a talk on how the National Society funded the programs by Endowments and the interest each year is used to finance their activities. If the interest is not spent each year that part that is not spent is added to the Endowment thus increasing the interest for the following year. The State Societies also fund some of their programs in a like manner. However all cost are not funded in this manner. The payroll staff, who handle the day by day operation, is a part of these cost.

Treasurer General Ed Hoyt presented Compatriot Jim Washburn a 25 year membership pin for having been a member of the SAR for 25 years or more

It is not often we are honored by one of the Officers of the National Society and those that missed this meeting I am sure regret not being there.
